For nationally executed projects to be eligible, the cooperative component of the project has to be established through the identification and declared interest of and explicit participation by other developing countries as potential beneficiaries in the activities of the project, as appropriate. Accordingly, written evidence of endorsement or declared interest should be part of the proposal. The Committee of Experts would not consider proposals failing to comply with this requirement.</p> <p>Cooperative projects can be carried out on a sub-regional, regional or inter-regional basis, with a minimum of three (3) participating countries. Therefore, projects that are of a bilateral nature are not eligible for funding.</p>	<p>Ongoing facility (call for proposals is on annual basis).</p> <p>The deadline for submission of project proposals shall be <b>April 30 of each year</b>. The maximum amount of PGTF support available for any given project in 2012 will be US\$35,000.</p>
