Asian Development Bank-Loan								
Water District Development Sector Project (WDDSP)	The WDDSP is proposed as a relending facility under LWUA4, which will target pre-credit worthy to semi-creditworthy WDs5 for the rehabilitation and expansion of their distribution networks, developing raw water supply, and enhancing the sustainability of their operations through capacity development in key planning, project and technical areas, and through investments to achieve more sustainable NRW levels.	Nationwide with pilot projects in La Union and South Cotabato	LWUA	60.00			60.00	For loan negotiations. Approved by the NEDA Board on 29 May 2014. Monetary Board Approval in Principle was issued on 26 November 2014. The Special Authority from the President was issued on 12 Feb 2015.
Angat Water Transmission Improvement Project	<p>The project will secure raw water supply for the 15-million inhabitants of MWSS service area, through the rehabilitation of the Angat transmission line.</p> <p>The project will finance the (i) rehabilitation and/or reconstruction of the aqueducts, and (ii) technical assistance to</p> <p>(a) assess structural and seismic integrity of the transmission system;</p> <p>(b) prepare water safety, risk- and asset management plans, covering the optimization of the system;</p> <p>(c) prepare designs of structural and non-structural measures to support the implementation of these plans; and</p> <p>(d) prepare subsequent investments.</p> <p>These investments may include rehabilitation and retrofitting of intakes, stilling basins and the remaining aqueducts.</p>	III (Bulacan)	MWSS	124.00			124.00	Approved by the NEDA Board on 29 May 2014. The project was approved by ICC-CC on 16 December 2013. ADB Staff Review Meeting (instead of Management Review Meeting) was conducted on 5 August 2014. Awaiting Special Authority from the President and Monetary Board approval-in-principle for loan negotiations.
Increasing Competitiveness for Inclusive Growth Program (Subprogram 2)	The principal objective of the program is providing support for the government's key reform priorities aimed at employment generation by increasing competitiveness in the economy using an inclusive approach through the labor market. The program comprises 2 subprograms.	Nationwide	DOF	350			350	The loan was approved by ADB Board last 15 Dec 2014. Technical discussions with ADB was held last 29 October 2014. ICIG was approved ad referendum by the DBCC.
Senior High School Support Program (formerly Education Improvement Sector Development Program)	The program will support the government to implement its flagship education reform – the introduction of the K to 12 education reform. The K to 12 education reform program is a comprehensive initiative aimed at improving the quality of basic education in the Philippines, and lifting the country's competitiveness. SHSSP will support the K to 12 reform through the development of a comprehensive operation/implementation plan and the introduction of critical policy reforms such as modifications to the law governing public school teachers (the Magna Carta for Public School Teachers) and increased investment in secondary education. SHSSP will also support investments in (i) teacher training; (ii) development and implementation of new curricula at the secondary, senior secondary and higher education levels; (iii) development and implementation of a qualifications framework; (iv) development and distribution of teacher guides and textbooks; and (v) construction and rehabilitation of schools and classrooms to address existing shortages and to meet future needs arising from rapid population growth.	Nationwide	DepEd	300			300	Loan Agreement was signed on 10 Feb 2015. The loan was approved by ADB Board last 15 Dec 2014. SHSSP was approved ad referendum by the DBCC.
Encouraging Investment through Capital Market Reforms Subprogram 1 (formerly Capital Markets and Nonbank Reforms Program, Subprogram 1)	The government has requested ADB to design and deliver a financial sector program including budget support and technical assistance. Initial discussions indicate two subprograms of \$300 million each. The program will focus on contractual savings as an engine of demand for financial products, the BTr's infrastructure, and to a lesser degree, the SEC.	Nationwide	DOF (BTr)	300			300	Policy matrix is being refined for onward processing in the DBCC and loan negotiations in 2015.
Expanding Private Participation in Infrastructure Program (formerly Infrastructure Improvement Support Program, Subprogram)	The program's impact will be increased investment in infrastructure. The outcome will be improved private participation in infrastructure that will be achieved through policy reforms, i.e. i) strengthened strategic planning and legal frameworks for PPPs; ii) enhanced institutional set-up for sustainable PPP program and iii) diversified funding modalities for private investment in infrastructure. DOF will be the executing agency. NEDA, DBM, and PPPC will be implementing agencies. The implementation period is from January 2013 to June 2015 (Subprogram 1) and July 2015 to June 2017 (Subprogram 2).	Nationwide	DOF	300 (plus JICA 200)			500	Loan fact-finding mission: 10 April 2015. Loan negotiations: 14 June 2015. For ADB Board consideration on 24 September 2015.
Improving National Roads for Inclusive Growth in Mindanao (formerly Second Road Improvement and Institutional Development Project)	The project aims to improve accessibility of transport infrastructure by improving the quality of the national road network in Mindanao. This will be achieved by (i) improving about 400 km of 10 national roads; (ii) preparing the detailed engineering design for roads to be improved under future projects; and (iii) strengthening the institutional capacity of DPWH.	Mindanao	DPWH	220 (plus AIF 50 ADFD 40 OFID 50)			360	The feasibility study/project design is targeted to be completed in 2015.

				(In US\$ million)				
Enhancing Rural Enterprise and Rural Employment Program (formerly CDTA Program and Policy Support for Enhancing Rural Enterprise and Rural Employment)	The proposed program will address key issues to increase rural employment generation through (i) facilitating an enabling environment for job-driven productive private sector investments in rural areas, including providing rural infrastructure where needed to reduce the cost of doing business in the rural areas.; (ii) encouraging the growth and expansion of rural enterprises, especially agro-processing enterprises and rural tourism (including ecotourism) enterprises; and (iii) improving skills of workers and job seekers in the areas of agro-processing and rural tourism.	Visayas and Mindanao	DTI	200			200	PPTA was approved by ADB Board on 18 December 2014.
Education Sector Improvement Development Program, Phase 2	To be determined	To be determined	DepEd	300			300	For processing in 2016
Enhancing Youth School-to-Work Transition Program (formerly Addressing the Youth Employment Challenge Program)	The program will build on the gains of Increasing Competitiveness for Inclusive Growth Program, particularly the development of MyFirstJobs of DOLE.	Nationwide	DOLE	250.00			250	For processing in 2016
Solid Waste Management Sector Project	The proposed project aims to improve Solid Waste Management (SWM) in the Philippines through provision of investments to the local government units (LGUs) in establishing SWM infrastructure. Specifically, the proposed project will have the following outputs: i) Preparation of a comprehensive solid waste management plans of selected LGUs; ii) Investment projects for priority SWM facilities i.e. sanitary landfills, materials recovery facilities, closure of dump sites, waste handling equipments, etc.; and, iii) project management and capacity development for implementation and sustainable development for selected LGUs.	To be determined	DENR	70 (plus Urban Environment Fund 2 OFID 25)			97	For processing in 2016
Davao Public Transport Modernization Project	To be determined	XI	DOTC		70.00		70.00	For processing in 2016
Local Government Finance and Fiscal Decentralization Reform Program, Subprogram 2	The policy-based program loan aims to assist inclusive growth and poverty reduction via improved service delivery by LGUs. The two subprograms focus on four (4) policy outputs: (i) creating a conducive fiscal framework for inclusive growth; (ii) developing an adequate and equitable resource framework for fiscal sustainability; (iii) strengthened public financial management to assist efficient LGU delivery; and, (iv) fostering good local governance, transparency, and accountability.	Nationwide	DOF	200 (plus \$150 M from AFD)			350	For processing in 2017
Metro Manila Waste Water Improvement Project (formerly Metro Manila Sanitation Improvement Project)	To be determined	NCR	MWSS	100			100	For processing in 2017
Encouraging Investment through Capital Market Reforms Subprogram 2 (formerly Capital Markets and Nonbank Reforms Program, Subprogram 2)	The government has requested ADB to design and deliver a financial sector program including budget support and technical assistance. Initial discussions indicate two subprograms of \$300 million each. The program will focus on contractual savings as an engine of demand for financial products, the BuTr's infrastructure, and to a lesser degree, the SEC.	Nationwide	DOF (BTr)	300			300	For processing in 2017

Building the Resilience and Awareness of Metro Manila Communities to Natural Disasters and Climate Change Impacts (BRACE Program) Components 3 & 4 only (1 & 2 are already ongoing)	The BRACE Program is an integrated package of assistance that ultimately aims to reduce the vulnerability and enhance the resilience of Metro Manila, initially in the pilot Taguig City, to natural disasters and climate change impacts. This will be achieved through four major activities namely: (1) enhancing national capacity for risk analysis; (2) helping communities build disaster preparedness and awareness; (3) establishing risk-sensitive land use plans and policies; and (4) building safer and disaster-resilient homes and settlements.	Taguig City	Taguig City		25.01	18.26 (Taguig City) 0.11 (Co-financiers) 0.07 (Beneficiaries) 2.89 (Private Sector)	46.34	Securing necessary GPH approvals
Japan International Cooperation Agency (JICA)-Loan								
Metro Manila Interchange Construction Project Phase VI	The project involves the construction of high priority grade-separated interchanges in Metro Manila to alleviate serious traffic congestion and enhance transport capacity and efficiency around Metro Manila. The project consists of 3 interchanges: (i) EDSA/North Avenue/West Avenue/Mindanao Avenue Interchange; (ii) C5/Green Meadows/Calle Industria/Eastwood Interchange; and (iii) EDSA/Roosevelt Avenue/Congressional Avenue Interchange.	NCR	DPWH	15.18		76.87	92.05 (\$1=PhP43.53)	Loan Agreement and Exchange of Notes were signed on 26 March 2015 while Minutes of Discussion was signed among JICA, DPWH, DOF and NEDA on 18 March 2015. The NEDA Board confirmed the Investment Coordination Committee approval of the project on 17 October 2014.
Flood Risk Management Project for Cagayan de Oro River	The project involves implementation of structural (which is primarily river improvement in nature) and non-structural measures. The structural measures will include the following: (a) Construction of new dike/retaining wall; (b) Installation of gate and drainage outlets; (c) Construction of new road/raising of existing road for evacuation; (d) Improvement of Kagayan Bridge; (e) Construction of retarding basin; and, (f) Periodic monitoring of river cross section and regular maintenance dredging/channel excavation.	X	DPWH	111.62		80.68	192.29 (\$1=PhP44.9)	Loan Agreement and Exchange of Notes were signed on 26 March 2015 while Minutes of Discussion was signed among JICA, DPWH, DOF and NEDA on 18 March 2015. The NEDA Board confirmed the Investment Coordination Committee approval of the project on 17 October 2014.
North-South Commuter Railway Project, Phase I (Malolos-Tutuban)	The project involves the construction of a 36.7-km narrow-gauge elevated commuter railway from Malolos to Tutuban using the PNR right-of-way (ROW), with 10 stations and a depot at Valenzuela. The project also includes the procurement of rolling stock and the installation of electro-mechanical systems.	NCR III	DOTC	To be determined		367.9	2,612.57 (\$1=PhP44.9)	DFA issued a Note Verbale transmitting the GOP's official request to secure loan financing from the GOJ on 27 May 2015. The NEDA Board confirmed the Investment Coordination Committee approval of the project on 16 February 2015.
Proposed Priority Works for the Flood Control Project in Western Rivers, Zambales	The project involves construction of dikes for Bucao and Sto. Tomas Rivers, construction of drainage channel for Gabor River and establishment of warning and evacuation systems and Community Disaster Prevention Program, among others.	III	DPWH	To be determined		To be determined	95.51 (\$1=PhP44.5)	Securing necessary GPH approvals
Davao City Bypass Construction Project	The project aims to improve the transport logistics and mitigate congestion in Davao City by constructing a two-lane (one lane per direction), 44.58 km bypass that consists of road, tunnel and bridge sections.	XI	DPWH	205.91		167.75	373.66 (\$1=PhP45.00)	DFA issued a Note Verbale transmitting the GOP's official request to secure loan financing from the GOJ on 01 June 2015. The NEDA Board confirmed <i>ad referendum</i> the Investment Coordination Committee approval of the project on 28 May 2015.
Metro Manila Priority Bridges for Seismic Improvement Project	The project involves the replacement of two major bridges on the arterial roads in Metro Manila, namely the Lambingan and Guadalupe Bridges. It aims to contribute to a more sustainable economic development of Metro Manila and its speedy recovery in case of large-scale earthquakes.	NCR	DPWH	84.27		11.07	95.34 (\$1=PhP45.00)	DFA issued a Note Verbale transmitting the GOP's official request to secure loan financing from the GOJ on 01 June 2015. The NEDA Board confirmed <i>ad referendum</i> the Investment Coordination Committee approval of the project on 26 May 2015.
Migration of the People's Television Network from Analog to Digital Terrestrial Television Broadcasting	The project involves some features of the Integrated Services Digital Broadcast-Terrestrial (ISDB-T) System of Japan which include the (a) Emergency Warning Broadcast System (EWBS), (b) Data-Casting System, (c) Multiple [2-3] Digital Channels in One Frequency, and (d) One Seg Channel, which allows mobile devices to receive free-to-air digital signal. The project will include the rollout of digital transmitting stations all over the Philippines.	Nationwide	PTV-4	151.77		42.47	194.24 (\$1=PhP45.01 as of 22 June 2015)	Under the NEDA Secretariat's review
Japan International Cooperation Agency (JICA)-Grant								
Project for Road Improvement in Bangsamoro for Inclusive Regional Development	The project involves the rehabilitation and construction of farm-to-market roads in West Mindanao, namely, Bumbaran in Lanao del Sur, Datu Paglas in Maguindanao and Alamada in North Cotabato.	XII, ARMM	DA		11.36		11.36	DOTC to submit additional documents to the Department of Finance (DOF) to mobilize technical assistance. New Manila International Airport Project (F/S)	The project aims to determine and identify possible relocation options as well as to conceptualize the NMIA Project by collecting and analyzing existing and new data/information. The study will summarize these data/information and develop criteria for comparizon, selection, and recommendation of the location for the NMIA. The study is likewise expected to provide sufficient information on any proposed reclamation/other project for the NMIA to consolidate prerequisites for pursuing the project.	Mega Manila	DOTC					DOTC to submit additional documents to the Department of Finance (DOF) to mobilize technical assistance. Currently under review by the RFF-TWG Ongoing Information Collection Survey for the project by JICA
Mega Manila Subway Project (F/S)	The project aims to determine the most appropriate alignment, as well as implementation and O&M structure options for the proposed Mega Manila Subway.	Mega Manila	DOTC					Under NEDA Secretariat review
World Bank (WB)-Loan								
Manila-Quezon Avenue Bus Rapid Transit Project (formerly the Manila-Quezon Avenue Corridor Improvement Project)	The project involves the provision of a mass transport system along the España-Quezon Avenue-Commonwealth Avenue corridor through high-capacity buses running on exclusive lanes. It seeks to provide preferential journey times for public transport, as well as improve the level of service to the passenger while in vehicle, waiting for the vehicle, and making their way to and from the vehicle. Through the conversion of largely sub-EURO vehicles to EuroIV, the project will also bring an un-quantified reduction in emissions along the corridor with resultant improvement in local air quality. Further, there will be a total greenhouse gas emission saving of 6.21 million tonnes over thirty (30) years, or an average of 207,000 tonnes per year.	NCR	DOTC	59.11		49.78	108.89	For NEDA Board confirmation The project was approved, subject to certain conditions, by the ICC on 29 October 2014. The project is proposed to be included in the agenda of the next NEDA Board meeting.
Inclusive Partnerships for Agricultural Competitiveness (IPAC, formerly Project GROWTH)	The project aims to raise farm productivity and household income of agrarian reform beneficiaries and smallholders by: (a) empowering the beneficiaries and their organizations; (b) facilitating and scaling-up the development of livelihood and agribusiness opportunities; and (c) improving access to critical infrastructure and key support services.	DAR	To be determined	99.06		131.72	230.78	For NEDA Board confirmation. The ICC, during its Joint CC and TB Meeting on 15 June 2015, approved the project with certain conditions. The project is proposed to be included in the agenda of the next NEDA Board meeting.
Philippines Cross-Sectoral Health Enhancement Program (PHICS-HEP)	The World Bank can support the government of the Philippines in designing and implementing a nation-wide multi-sector program for enhancing population health through disease prevention, health promotion and better access to quality primary health care services. The World Bank will play a catalytic role by providing substantial funding for such a program, including mobilizing key stakeholders' political support for it, providing technical assistance in designing a package of effective cross-sector interventions and modes of their implementation for immediate results, supporting monitoring and evaluation of results and contributing to the program financing. It is expected that the government will co-finance such a program to ensure local ownership and long-term financial sustainability.	To be determined	To be determined	300+			To be determined	Project preparation ongoing, Project proposal for submission to the DBCC for FY 2016 implementation.
Philippines Renewable Energy Development Project (PHRED)	The project seeks, through a further guarantee cover for the ongoing Electric Cooperative Partial Credit Guarantee (ECPCG) Program, to increase renewable energy generation in all parts of the Philippines, including in off-grid areas, and to bolster private sector lending to electric cooperatives that are focused on operational and financial efficiency. It is expected that thereby ECs will be able to provide service to more customers and with better quality, while at the same time becoming more creditworthy and therefore better able to develop and/or purchase bulk renewable energy.	Nationwide	DOE	44 (guarantee amount)			44.00	Special Presidential Authority to sign the CTF Cooperation/Guarantee Agreement currently being secured by DOF. The ICC, during the 19 March 2015 Joint ICC-CC and TB meeting, noted the proposed accessing of the CTF facility for PHRED.
Greater Metro Manila Area Flood Management Program – Phase 1	The proposed project aims to reduce the vulnerability to flooding and improve the living conditions of several tens of thousands informal settler families (ISFs) in the Greater Metro Manila Area waterways/drainage channels by modernizing all pumping stations, introducing community-based solid waste management, and supporting the PhP50 billion ISF Housing Program to provide affordable, safe and inclusive shelter solutions.	TBD	MMDA, DILG, DPWH, LGUs	300.00				Project Preparation ongoing. Project proposal for submission to the ICC for FY 2016 implementation..

Note: For details about the projects, please coordinate with the proponent agency.

				(In US\$ million)				
National Program Support for Social Protection Project (NPSSPP, formerly SWDRP 2)	The project would aim to strength, diversify and customize social protection interventions in the Philippines to respond more effectively to the chronic and transitory nature of poverty, through a two pronged approach: 1) continue to support the delivery of the existing conditional cash transfer program – the Pantawid Pamilyang Pilipino Program (4Ps) – to poor households with children 0-18; and 2) expand the menu and coverage and strengthen the delivery of Government programs aimed at increasing productive capacity of poor and vulnerable households: programs such as training/skills development, ALS enrollment to complete high school education, job-search assistance, micro-enterprise development, assets building, etc.	TBD	DSWD	450.00				Project preparation is ongoing. WB Preparation Mission was conducted on 23-27 March 2015. Project proposal is for submission to the DBCC for FY 2016 implementation.
Development Policy Loan (DPL) 4	The program's development objective is to support sustained and inclusive growth and job creation. The means to achieving this are through increasing physical and human capital investment; tackling regulatory barriers in land, labor, and capital markets; all in a context of ensuring fiscal sustainability and boosting fiscal governance transparency. The DPL program key results indicators build on the initial phase of the DPL 1-3 program, and capture notably deepened institutionalization of reforms. Beyond increasing public infrastructure investment to 5% of GDP per annum, the operation will capture improvements in allocative ("prioritization") and operational efficiency in public investments.	Nationwide	DOF	300.00				Project preparation is ongoing. Project proposal for submission to the DBCC for FY 2016 implementation.
2nd Disaster Risk Management DPL with a Catastrophe-Deferred Drawdown Option (CAT-DDO)	Requested by GPH during the 17-19 April 2015 WB/IMF Spring Meetings.	TBD	DOF	500.00			500.00	Project preparation ongoing. Combined Identification and Preparation Mission conducted on 11-22 May 2015 to meet the accelerated timeline for project preparation and presentation to the WB Board.
Program on Economic Growth through Agribusiness Cooperation and Entrepreneurship (PEACE, formerly BFF)	The proposed project will aim to establish an attractive financing facility for small, medium, and large agribusiness enterprises located in the Bangsamoro areas. The facility would assist private sector enterprises to help implement their expansion and modernization plans, to undertake new sub-projects, and to finance production and operating expenses as well as capital investment requirements. These enterprises would thus be able to alleviate the operational and financial requirements arising from the high risks associated with operating in the Bangsamoro areas (such as, but not limited to security, peace and order situation, inadequate infrastructure for connectivity and power, long gestation nature of agribusiness operations, etc.).	Bangsamoro	LBP	To be determined	100 - 125	To be determined	To be determined	Project preparation ongoing. Project proposal for submission to the ICC for FY 2016 implementation.
France - AFD-Loan								
Cebu Bus Rapid Transport (BRT)	Proposed for co-financing with WB. AFD funding will be dedicated to the financing of the traffic management component of the project.	VII	DOTC, Cebu City	IBRD - 110 CTF - 25 AFD - 52			187	ICC-CC approval of the project was confirmed by the NEDA Board on 29 May 2014. DOF is currently securing loan effectiveness. Loan agreement signed on 26 February 2015.
Reviving Ecosystems Nature and Agriculture by Implementing Sustainable Solutions and Community Empowerment	The project targets social and environmental vulnerabilities, through the improvement of ecosystems monitored by LGUs and concerned watershed management in Mindanao. The expected results are integrated planning, the restoration of degraded ecosystems (reforestation) and the improvement of economical and living conditions of local communities.	Bukidnon and Lanao del Sur	DILG	EUR 65 M				Under conceptualization
Disaster Risk Management and Prevention Policy Loan	The budget support facility has the following specific objectives: a. Further develop and refine DRRM/CCA national policy and legislative framework as an enabling national environment for local DRRM/CCA interventions b. Mainstream DRRM/CCA at the local level through risk-sensitive planning c. Strengthen local DRRM/CCA financing framework d. Enhance institutionalization of local DRRM/CCA coordination and management bodies, and support capacity building at LGU level.	To be determined	DOF	EUR 50 M				Under conceptualization

Note: For details about the projects, please coordinate with the proponent agency.

Local Government Finance and Fiscal Decentralisation (LGFFD) - Subprogram 2	Under conceptualization	To be determined	DOF	150				For processing in 2016.
Disaster Risk Management and Institutional Strengthening (DRM-IS)	DRM-IS seeks to support local capacities to anticipate, cope and recover from the negative impacts of disasters through improved LGU DRM delivery capacities.		DILG,DOF		EUR 4.8 million			Awaiting issuance of Special Presidential Authority from the Office of the President
United States Agency for International Development (USAID) Grant								
Biodiversity Activity	The purpose of this activity is to conserve biodiversity in priority sites and integrate conservation into broad-based and inclusive growth. This activity will seek to achieve the following outcomes: 1) reduced drivers and threats to biodiversity 2) strengthened biodiversity monitoring, and 3) improved ecosystem services that contribute to human well-being.	To be determined	To be determined		10.00 - 24.99	To be determined	To be determined	Under project development (i.e. Activity Design/Procurement)
New Election Design to support 2016 Philippine National Elections	The objective of this activity is to support, free, fair, honest and credible electoral processes leading up to and beyond the 2016 general elections. The technical assistance will consist of training, election management, voter education, third party oversight of the electoral process, electoral security, and post-election activities to address emerging opportunities and develop local capabilities.	To be determined	To be determined		1.00 - 3.99	To be determined	To be determined	Under project development (i.e. Activity Design/Procurement)
Strengthening Urban Resilience for Growth with Equity(SURGE)	SURGE is a crucial component of Partnership for Growth (PFG) and the Cities Development Initiative (CDI). The primary goal is to support a highly innovative, creative, and cost efficient solutions that set the conditions for broad-based and inclusive economic growth and foster higher investment, increased economic opportunities, productive employment, enhancing human capital, strengthening health services, and ensuring urban environmental resiliency for a critical mass of cities and regions outside Metro.	CDI secondary cities sites (i.e., Cagayan de Oro, Iloilo and Batangas)	DILG, DOT, DPWH, concerned LGUs, DTI		46.00	To be determined	To be determined	Under project development (i.e. Activity Design/Procurement)
E-Peso Project	The E-PESO will promote widespread adoption of electronic money technology as a transparent, cost-efficient, safe and convenient means for managing financial transactions. E-PESO will collaborate closely with partner electronic money issuers to develop thier capacity to expand their services and enable the widespread deployment of electronic payment agent networks and touch points.	National, with emphasis on CDI cities	BSP, DBM, LGUs and other national agencies		20.95	To be determined	To be determined	Approved ad referendum by the USG-GPH Partnership for Growth Steering Committee in October 2014. Under USAID Procurement.
Assistance Agreement between the Governments of the Republic of the Philippines and the United States of America for Basic Education Programs	The assistance objective is to improve the quality of basic education in the Philippines.		DepEd		12.85	To be determined	To be determined	The Assistance Agreement, dated 28 November 2014, was signed by DepEd and USAID.
Building Resilient and Economically Adept Communities and Households (BREACH) Activity in Typhoon Yolanda-Affected Areas	BREACH is a two-year activity amounting to US\$2 million (approximately PhP89.2 million , with US\$1 million as estimated contribution from USAID). It aims to ensure the quick transfer and temporary settlement of families in hazard areas to the relocation sites and, to provide market-based employment, livelihood, and enterprise opportunities for the community.	Eastern Visayas	Philippine Disaster Rehabilitation Foundation, Tacloban City Government, Private Sector		1.00	1.00	2.00	On 05 January 2015, GPH, through DOF, concurred to the inclusion of BREACH for financing under the signed EGDG Assistance Agreement. BREACH was awarded by USAID on 01 March 2015.
Korea International Cooperation Agency (KOICA) - Grant								
Panay Island Sustainable Agricultural Upland Development Project	The project involves the improvement of farm-to-market roads and farm bridges, establishment of community-based composting facilities, improvement of extension support system through pilot demo farms and local and international training, and development of community-based agricultural projects.	VI	DA		To be determined	To be determined	To be determined	The NEDA Secretariat, in its letter of 07 May 2015, forwarded its comments/suggestions to the Department of Agriculture (DA) to enhance the project proposal.
Reconstruction and Strengthening of the Visayas State University-Tolosa Campus	The project aims to (i) evaluate the extent of damage caused by super typhoon Yolanda to the infrastructure and other facilities of VSU-Tolosa Campus, (ii) design and construct appropriate building structures, and (iii) provide appropriate facilities and equipment for each classroom and office needed for academic and research activities, among others.	VIII (Tolosa, Leyte)	Visayas State University		To be determined	To be determined	To be determined	Forwarded to DOF for review and onward endorsement to KOICA

European Union (EU)-Grant								
Access to Energy Programme (ASEP)	The programme aims to generate more electricity from renewable energy, increase the efficiency of energy use, and increase access for the poor to affordable, disaster-resilient energy. ASEP will support the implementation of the Energy Reform Agenda through: i) technical assistance to DOE, National Electrification Administration, Energy Regulatory Commission and electric cooperatives; and ii) grant financial assistance for solar mainstreaming and rural electrification.		DOE		To be determined	To be determined	To be determined	The project was approved by the ICC during its Joint Technical Board and Cabinet Committee meeting on 15 June 2015.
Governance in Justice (GOJUST) Cooperation Programme	The project aims to increase efficiency, effectiveness and accountability of the formal justice system, the project will have four (4) components with the following expected results: a. Sector-wide coordination of the justice system strengthened and long-term reform strategy developed; b. Backlog curtailed in courts and prosecution services and case management system streamlines and computerized (with focus on 'justice zones'); c. Justice sector agencies' administrative and financial management systems improved; and d. National/Regional Human Rights Institutions and Civil Society Organizations capacity to promote accountability and fight impunity for major human rights violations strengthened		DOJ			EUR 18 million		Under conceptualization
Federal Republic of Germany – Federal Ministry for Economic Cooperation and Development (BMZ)								
Conflict Sensitive Resource and Asset Management (COSERAM II)	The overall objective of the program is to ensure the governance of natural resources and assets in a peaceful and sustainable manner for the benefit of the marginalized population in selected areas of CARAGA and other conflict-affected areas in the Philippines.	CARAGA and other conflict-affected areas	DILG, OPAPP, DENR, NCIP, NEDA		11.60 (or EUR 8.50) (Exchange Rate: 1 USD = 0.733 EUR Source: European Central Bank for the month of May 2014)	To be determined	To be determined	To date, GIZ and the concerned Philippine government agencies (NEDA, DILG, OPAPP, NCIP and DENR) are working on the project's implementation agreement (IA). NEDA submitted to GIZ on 02 June 2015 the Philippine government consolidated comments on the IA. It may be noted that NEDA thru its 13 August 2014 letter to GIZ confirmed that the project is consistent with the updated 2011-2016 PDP; and GIZ, thru its letter to NEDA dated 23 September 2014, responded to NEDA comments and recommendations on the project proposal. On the conclusion of Note Verbale for the Government Arrangement, per coordination with DFA on 24 February 2015, DFA is awaiting feedback from the German Embassy in Manila on the Philippine government proposed revisions transmitted through DFA Note Verbale No. 14-3265 dated 22 September 2014.
Indigenous Practices for Biodiversity Conservation (IP4BioDiv II)	The project aims to increase application of conflict sensitive indigenous management approaches for biodiversity conservation in the Agusan Marsh Wildlife Sanctuary (AMWS) and in other biodiverse indigenous areas.	Agusan del Sur and other biodiverse indigenous areas.	DILG, OPAPP, DENR, NCIP, NEDA		5.80 (or EUR 4.25) (Exchange Rate: 1 USD = 0.733 EUR Source: European Central Bank for the month of May 2014)	To be determined	To be determined	To date, GIZ and the concerned Philippine government agencies are working on the project's implementation agreement. It may be noted that NEDA thru its 13 August 2014 letter to GIZ confirmed that the project is consistent with the updated 2011-2016 PDP and GIZ, thru its letter to NEDA dated 23 September 2014, responded to NEDA comments and recommendations on the project proposal. On the Note Verbale, DFA is awaiting concurrence/response of the German Embassy to the proposed Philippine counterdraft transmitted through DFA's reply note dated 22 September 2014.
Federal Republic of Germany - Federal Ministry for the Environment, Nature Conservation, Building, and Nuclear Safety (BMUB)								
Environment and Rural Development Programme New Module	The new module aims to support reconstruction efforts in the wake of typhoon Haiyan.	Visayas, especially in Leyte and Samar	NCI (DA, DENR, DILG, DAR)		4.09 (or EUR 3.00) (Exchange Rate: 1 USD = 0.733 EUR Source: European Central Bank for the month of May 2014)	To be determined	To be determined	As of 04 November 2014, comments and recommendations of GIZ, DA-PDS, and DA-Legal were incorporated to the revised draft Implementation Agreement. On the conclusion of Note Verbale for the Government Arrangement, per coordination with DFA on 24 February 2015, DFA is awaiting feedback from the German Embassy in Manila on the Philippine government proposed revisions transmitted through DFA Note Verbale No. 14-3265 dated 22 September 2014.
Support to the Philippines in shaping and implementing the international climate change regime	The project strengthens the Climate Change Commission and other key actors in implementing and coordinating the national climate change regime as well as developing and operationalizing national contributions to the international climate change regime.		CCC, DOE		5.02 (or EUR 4.50) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	To be determined	To be determined	Under NEDA Secretariat review, following receipt on 07 May 2015 of DFA-OEA letter to NEDA dated 04 May 2015 requesting NEDA comments and/or endorsement of the technical cooperation on the project.

Note: For details about the projects, please coordinate with the proponent agency.

Sustainable coastal protection through biodiversity conservation in coastal ecosystems affected by typhoons in the Philippines (ProCoast)	The project assists the DENR with the implementaton of a participatory and holistic coastal zone management. It aims at the improvement of the political and legal framework conditions for biodiversity and coastal protection.		DENR		3.90 (or EUR 3.50) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	To be determined	To be determined	Under NEDA Secretariat review, following receipt on 07 May 2015 of DFA-OEA letter to NEDA dated 04 May 2015 requesting NEDA comments and/or endorsement of the technical cooperation on the project.
International Climate Initiative (Regional)	The project aims at substantially increasing the availability of appropriate financing options in the target countries. The main target groups, which are the commercial and development finance institutions, private equity, venture capital and infrastructure funds as well as institutional investors, will gain specific know-how in Renewable Engeries and Energy Efficiency, resulting in improved risk evaluation capacities and an increased willingness to engage in green energy finance and investments.	Philippines, Indonesia, India, Vietnam, Thailand	DOE		2.84 (or EUR 2.55 for all countries) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	To be determined	To be determined	Under NEDA Secretariat review, following receipt on 07 May 2015 of DFA-OEA letter to NEDA dated 04 May 2015 requesting NEDA comments and/or endorsement of the technical cooperation on the project.
Main Phase III: Fulfilling the Promise of NAMAs to Enhance International Climate Ambition (Regional)	The project supports emerging economies and developing countries in Latin America and Asia in designing ambitious nationally appropriate mitigation actions (NAMAs) and other impactful climate actions.	Argentina, Chile, Colombia, Costa Rica, Dominican Republic, Panama, Peru, Uruguay, China, Indonesia, Malaysia, Pakistan, Philippines, Thailand, Vietnam	CCC		2.23 (or EUR 2.00 for all countries) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	To be determined	To be determined	Under NEDA Secretariat review, following receipt on 07 May 2015 of DFA-OEA letter to NEDA dated 04 May 2015 requesting NEDA comments and/or endorsement of the technical cooperation on the project.
Advancing and Measuring Sustainable Consumption and Production for a Low-Carbon Economy in Middle-Income and Newly Industrialized Countries (Regional)	The project will contribute to the implementation of the six programmes under the 10-year framework of programmes on sustainable consumption and production in eight developing countries across three regions (Southeast Asia, Arica, and Latin America).	Thailand, Indonesia, Malaysia, Philippines, Morocco, Ethiopia, Chile and Peru	DTI		5.02 (or EUR 4.50 for all countries) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	To be determined	To be determined	Under NEDA Secretariat review, following receipt on 07 May 2015 of DFA-OEA letter to NEDA dated 04 May 2015 requesting NEDA comments and/or endorsement of the technical cooperation on the project.
Mainstreaming EbA - Strenthening EbA in decision making processes (Regional)	In the Philippines, the project will work closely together with the National REDD+ System in the Philippines, Protected Area Management Enhancement in the Philippines, and Forest and Climate Protection in Panay.	Brazil, Grenada, India, Indonesia, Colombia, Mali, Mexico, Peru, Philippines, South Africa, Thailand, Vietnam	CCC		4.38 (or EUR 3.93 for all countries) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	To be determined	To be determined	Under NEDA Secretariat review, following receipt on 07 May 2015 of DFA-OEA letter to NEDA dated 04 May 2015 requesting NEDA comments and/or endorsement of the technical cooperation on the project.
Towards a South-South Collaboration on Climate Information and Services: Building a Knowledge Exchange and Learning Platform for the Philippines and the Climate Vulnerable Forum	The Project aims to facilitate collaboration on climate information and services by key actors in the country and globally through the Climate Vulnerable Forum by providing a venue for knowledge exchange and learning among countries vulnerable to climate change. It will facilitate the generation, provision and utilization of simple and complex knowledge products (e.g., climate projections) that will enable vulnerable countries to access information and support services to help them adapt and develop interventions for climate change mitigation.		CCC, DOST		5.58 (or EUR 5.00) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	1.90 (or EUR 1.70) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	7.47 (or EUR 6.70) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge. It may be noted that NEDA Secretariat reviewed the project outline and comments were submitted to CCC on 01 June 2015.
Development of Measurement, Reporting and Verification (MRV) System for Intended Nationally Determined Contributions (INDC) and Climate Finance	The development of a robust MRV system for tracking the progress of the Philippines' Post-2020 INDC commitments, including climate finance appropriated and received, intends to lay the groundwork for a standardized and systematic evaluation of the contributions to be committed by the country. Field tests of bottom-up MRV of selected measures and related financing will refine national methodologies. The development of a multi-dimensional model to assess the long-term viability and impacts of INDC measures are expected to produce evidence-based results that will periodically serve as basis for decision-making.		CCC		3.29 (or EUR 2.95) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	0.20 (or EUR 0.18) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	3.49 (or EUR 3.13) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge. It may be noted that NEDA Secretariat reviewed the project outline and, comments were submitted to CCC on 01 June 2015.

Note: For details about the projects, please coordinate with the proponent agency.

Improved ecosystem services and reduced vulnerability to climate change through ecosystem-based management and application of ecosystem values in 2 river basins in the Philippines	The project aims to support coordinated implementation of priority ecosystem-based adaptation management measures that protect, maintain, enhance integrity of permanent vegetative cover, regulate water extraction and pollution, and protect coastal ecosystems and regulate coastal settlements involving DENR, LGUs and local communities to improve water supply & quality, reduce disaster risk & protect biodiversity in 2 river basins/watersheds. It also aims to use ecosystem services benefits as bases to secure financial & institutional arrangements. Central to this project are capacity development & knowledge management for sustainability.		DENR, CCC		5.13 (or EUR 4.60) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	0.56 (or EUR 0.50) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	5.69 (or EUR 5.10) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge. It may be noted that NEDA Secretariat reviewed the project outline and, comments were submitted to CCC on 01 June 2015.
Responsive and Resilient Local Government Units and Communities for Climate-Sensitive Diseases in the Philippines	This project will demonstrate how local government and communities will address climate-sensitive diseases prevalent in areas vulnerable to sea-level rise, flooding, and drought through environmental health interventions in adherence to the strategies outlined in the National Climate Change Action Plan of the Philippines (2011-2028).		DOH				3.74 (or EUR 3.35) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge. It may be noted that NEDA Secretariat reviewed the project outline and, comments were submitted to CCC on 01 June 2015.
Capacity Development for Increased Adaptation and Resilience for Micro Small and Medium Enterprises (MSMs) in the Philippines	The project's activities will encompass analysis of vulnerabilities and risks and the integration of climate risk management into private sector development as well as economic and industrial strategies and policies. Knowledge about climate change risks and advisory services on climate change adaptation and disaster risk management increase the private sector's adaptive capacity and resilience as well as mobilize private funds for adaptation efforts.		DTI		4.91 (or EUR 4.40) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	0.50 (or EUR 0.45) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	5.41 (or EUR 4.85) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge. It may be noted that NEDA Secretariat reviewed the project outline and, comments were submitted to CCC on 01 June 2015.
Competitiveness and Inclusive Growth Through Low Emission and Resource Efficient Economic Development for Micro, Small and Medium Enterprises (MSMEs) in the Philippines	The project supports MSMEs by capacitating the political and main implementing partner, the Department of Trade and Industry (DTI), and other government agencies to design, implement, steer and monitor policies promoting climate smart and resource efficient business models.		DTI		5.24 (or EUR 4.70) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	0.56 (or EUR 0.50) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	5.80 (or EUR 5.20) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge. It may be noted that NEDA Secretariat reviewed the project outline and, comments were submitted to CCC on 01 June 2015.
Climate Resiliency in Urban Planning: Strengthening Disaster Resilience and Risk Mitigation through Ecosystem-based Planning and Adaptation	The project intends to build institutional capacities of LGUs through the ecosystem/landscape-based development planning, implementation of ecosystem/landscape-based adaptation measures, risk transfer mechanism and insurance awareness and knowledge management.		HLURB, CCC NEDA		2.23 (or EUR 2.00) 5.24 (or EUR 5.70) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	0.11 (or EUR 0.10)	2.34 (or EUR 2.10)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge. It may be noted that NEDA Secretariat reviewed the project outline and, comments were submitted to CCC on 01 June 2015.
Nationally Appropriate Mitigation Actions (NAMA) Support Project for the Philippine Waste Sector: Reducing Emissions from Waste and Resource Depletion (REWARD)	The REWARD Project supports country-wide reforms in efficient waste management services to the general public through a multi-stakeholder programmatic approach that mitigates GHG emissions. It contributes to achieving intended nationally determined contributions (INDCs).		DENR, CCC		6.58 (or EUR 5.90) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	3.57 (or EUR 3.20) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	10.15 (or EUR 9.10) (Exchange Rate: 1 EUR = 1.1150 USD Source: European Central Bank for the month of May 2015)	Project outline was submitted by CCC, through its letter to BMUB IKI Program Office dated 05 June 2015 for assessment under the Philippine country pledge.
