The NBAC-CS shall not be responsible for premature opening of unsealed proposals.

The technical proposals shall be evaluated based on the approach and methodology, qualifications of the consultant and job capacity. The Terms of Reference (TOR) for the undertaking including the Negotiated Procurement Requirements and Data Sheet (DS), among others, can be downloaded from the NEDA website, <http://www.neda.gov.ph>. The previously issued Bidding Documents for the procurement, which are also available in the NEDA website, may be referred to as these will form part of the Contract. Note, however, that since this is a Negotiated Procurement, the procurement process, including evaluation process and the submission requirements will be as described/contained in the Negotiated Procurement Requirements and Data Sheet (DS).

Only those consultants who will be found eligible and whose technical proposal is responsive to the TOR shall be directly invited to the subsequent opening of their financial proposals. Financial proposals of Consultants who fail to qualify shall be returned unopened. Final selection of consultants shall be based on the Quality-Cost Based Evaluation/Selection (QCB E/QCBS) procedure, where the technical and financial proposals are given 80% and 20% weights, respectively.

NEDA reserves the right to reject any and all proposals, including that of a single eligible proponent, waive any minor deviation in the submitted documents which will not materially affect the substance of the bid, annul the selection process, or not award the contract at any time prior to contract award, without thereby incurring any liability to the affected participating consultants/consulting firms.

For further information, you may communicate with the NBAC-CS Secretariat c/o Ms. Kathleen P. Mangune via electronic mail, kpmanune@neda.gov.ph, or through telephone numbers (+632) 631-2192 (Direct Lin e) / (+632) 631-0960 to 65 local 309 (Trunk Line) and Fax No. (+632) 631-2188.
