

CY 2010 ODA Portfolio Review
LIST OF LOANS ADDRESSING CLIMATE CHANGE MITIGATION/ADAPTATION

Project Title	IA	Net Commitment	ADAPTATION	MITIGATION	Remarks
1 Infrastructure for Rural Productivity Enhancement Sector	DA	75.00	✓		Components include the: a) design modifications and concreting of FMRs; b) capacitate LGUs in terms of disaster risk reduction, climate change mitigation and adaptation pertinent to rural infrastructure construction, design and engineering, contract management and O&M; and c) update the agriculture intensification plans to include climate-resilient technologies, increasing awareness on crop insurance system and promotion of organic farming.
2 Mindanao Rural Development Project-Phase 2	DA	83.75	✓		Natural resources management to conserve upland resources, coastal and marine biodiversity
3 Second Cordillera Highland Agricultural Resource Management Project	DA	26.60		✓	Community Watershed Conservation, Forest Management and Agroforestry.
4 Second Cordillera Highland Agricultural Resource Management Project	DA	10.00		✓	
5 Environmental Development Project	DBP	297.73		✓	Reduce emissions of environmental pollutants; provide sub-loans to water supply and sanitation, new and renewable energy, industrial pollution control, and solid/health care/hazardous water management
6 Credit Facility for the Environmental Management Project	DBP	10.00		✓	Resource management endeavors, establishment of environmental management systems, self-monitoring projects and other environmental technologies in industries, cleaner production projects, watershed management, development and protection of water supply resource, are hydro-development and forest-based products.
7 Credit Line for Solid Waste Management Project	DBP	22.91		✓	Help LGUs carry out their SWM functions as required under R.A. 9003 or the Ecological Solid Waste Management Act of 2000
8 Rural Power Project	DBP	40.00		✓	The project aims to increase access to electricity services through private sector participation, promote the utilization of new and renewable energy sources (NREs)
9 Integrated Coastal Resources Management Project	DENR	33.80	✓		It intends to sustain management of coastal resources through the introduction of an integrated and participatory approach to coastal resources management and biodiversity conservation
10 National Program Support for Environment and Natural Resources Management Project	DENR	50.00	✓		Integrated Ecosystem Management; and Part and Environmental and Natural Resources Management.
11 Community Based Forest and Mangrove Management Project	DENR	5.78	✓		CBFMMP's overall objectives include the sustainable management of forests and mangroves
12 Philippine Energy Efficiency Project	DOE	31.10		✓	The objective of the project is to reduce consumer's energy cost through the use of efficient lighting.

Project Title	IA	Net Commitment	ADAPTATION	MITIGATION	Remarks
13 Pinatubo Hazard Urgent Mitigation Project III	DPWH	91.12	✓		Strengthening of the capability of concerned local government units in addressing flood related disaster management by updating flood forecasting and warning system plan, and disaster prevention and evacuation plan among others.
14 Support for Strategic Local Development and Investment Project	LBP	100.00		✓	Support LGUs and the Private Sector Groups in new construction, upgrading and rehabilitation of priority subprojects such as: (a) water supply; (b) power production; (c) solid waste management; (d) waste water treatment;
15 Credit Line for Energy Efficiency and Climate Protection in the Philippines (CLEECP)	LBP	27.72		✓	To significantly reduce the direct consumption of primary energy (e.g., diesel, coal, gas) and direct greenhouse gas emissions.
16 Laguna De Bay Institutional Strengthening and Community Development Project	LLDA	5.00	✓		To improve the environmental quality of the Laguna de Bay Watershed and strengthen the development governance that will support its sustained management.
17 NorthRail Project Phase 1 Section 1	NLRC	400.00		✓	Aims to provide an efficient transport service for passengers and goods
18 Philippine Rural Electrification Service Project (PRES)	NPC	22.94		✓	To provide lightning and additional income opportunities through the electrification of rural remote areas, using renewable energy sources and technologies with the least cost.
19 Northrail-Southrail Linkage Project	PNR	50.42		✓	Develop a fast, safe, comfortable, reliable, and affordable mode of mass transport/commuter rail services.
