Research Foundation, Inc. (UP PLANADES)

School of Urban and Regional Planning

University of the Philippines, Diliman, Quezon City

Dear **Mr. Cal**:

The National Economic and Development Authority (NEDA) awards the Contract for the Review/Formulation of Methodology for the Quantification of Economic Benefits of Social Infrastructure Projects to the University of the Philippines Planning and Development Research Foundation, Inc. (UP PLANADES) in the total amount of in the total amount of **Two Million, One Hundred Two Thousand One Hundred Eighty-Four and 00/100 Pesos (Php2,102,184.00)**, inclusive of all applicable government taxes and charges, professional fees, and other incidental and administrative costs.

You are hereby advised to post the required Performance Security and enter into contract with the NEDA within ten (10) calendar days from receipt hereof. Attached, for your consideration/signature, is the draft Contract Agreement for the undertaking.

Please be reminded that, as agreed during the 06 June 2017 Contract Negotiation, the use/collection of primary data for the conduct of the Study shall not be covered by the contract amount and shall, therefore, be subject to additional cost but with the prior approval of NEDA. Also, it was agreed that all reports and related documents to be prepared by the Consultant under the Study shall become and remain the property of NEDA. While the Consultant may retain a copy of such documents, future use, reproduction, distribution and/or citation of such property by the Consultant for any purpose shall be prohibited unless written consent is given by NEDA.

Further, kindly note that the Consultant's Study Team shall be required to meet with the End-User (EU) staff of NEDA, the Infrastructure Staff (IS), at least once a month to report on the progress of Study. Relative to the assignment of at least two (2) counterpart technical personnel for the purpose of on-the-job capacity-building and technology/knowledge transfer, please be informed that the designation of such shall be at the option of NEDA. UP PLANADES should be able to deliver the output/s with or without the government counterpart/s. The technical personnel may assist the Consultant in coordinating with other government agencies and the private sector for necessary interviews/meetings and in securing copies of reports and relevant data that are not readily

available to the Consultant, subject to the execution of a Confidentiality and Non-Disclosure Agreement (CNDA).
