BID BULLETIN No. 2

Provision of Hyperconverge Infrastructure System/Solution for NEDA Central Office

TO ALL BIDDERS:

This Bid Bulletin is issued in response to the second written request for clarifications on the Technical Specifications of the Bidding Documents for the subject procurement, as follows:

Query	Response
1. What is the back-up capacity (TB) to be licensed or is it an unlimited back-up license?	Should the bidder opt to offer capacity licensing, it must provide corresponding licenses for the supplied Hyperconverged Infrastructure storage capacity.
2. Is it a local full back-up only or does it also include remote full backup license?	It is a local full backup-up only. Remote full backup license will be accepted if offered.

This Bid Bulletin shall form an integral part of the Bidding Documents.

Should there be any queries, please contact the NBAC-GIP Secretariat at telephone nos. 631-37-15, 631-37-32 or 631-09-45 loc. 203, 204 and 209.

Issued on November 13, 2017.
