

**OFFICIAL DEVELOPMENT ASSISTANCE (ODA) FACILITIES FOR  
NON-GOVERNMENT ORGANIZATIONS (NGOs)  
(as of December 31, 2017)**

<b>MODE I - ODA provided directly to local NGOs or through the donor governments' or institutions' existing NGO facilities or windows</b>				
<b>Umbrella Facilities Administered Directly by ODA Sources to NGOs</b>				
<b>1) AUSTRALIA</b>				
<b>Philippines-Australia Community Assistance Program (PACAP)</b>				
The Responsive Approach of PACAP includes activities primarily in the southern Philippines and the priority provinces (Agusan del Sur, Bohol, Misamis Occidental, Northern Samar and Surigao del Norte) but has allowance for small allocation elsewhere in the country.				
<b>ELIGIBILITY / ASSISTANCE CRITERIA</b> Selection criteria for activities to be included in the Responsive Approach of PACAP is annually revised to reflect any SGF proposed change.				
CONTACT DETAILS	OBJECTIVES	MAIN AREAS OF ASSISTANCE	AVAILMENT PROCEDURE	DURATION/STATUS OF ASSISTANCE
<b>PACAP Secretariat</b> Australian Embassy Level 23, Tower 2 RCBC Plaza, 6819 Ayala Ave., Makati City 1200 Tel. No.: 757-8101	Supports community-initiated sustainable poverty alleviation programs and activities; and assists capability-building initiatives of the non-profit sector (primarily NGOs and POs) as well as the LGUs to provide services that meet community-initiated needs.	Focuses on activities that aim to reduce poverty both directly and indirectly by: i) improving community access to basic services; ii) strengthening the management and implementation capacity of key local service providers; and iii) helping build relationships between communities, NGOs, POs and LGUs.	PACAP determines the eligibility of the proponent Philippine NGO as well as appraises the NGO project proposal based on PACAP Guidelines.	Ongoing facility
<b>2) ADB</b>				
<b>Japan Fund for Poverty Reduction (JFPR)</b>				
The facility includes project and capacity building grants. Project grants finance activities directly providing relief measures, supporting the improvement of services and facilities for poorer population groups or reinforcing/reinvigorating social safety nets, and innovation and testing new approaches, particularly in the social sector. Capacity Building Grants finance capacity building and improvement measures e.g. to bolster local communities and NGOs through learning by doing, or to expand the capabilities or coverage of social fund-type institutions or to support local governments working with communities on ADB-funded projects.				
<b>ELIGIBILITY / ASSISTANCE CRITERIA</b> All ADB DMCs are eligible for JFPR grants.				
CONTACT DETAILS	OBJECTIVES	MAIN AREAS OF ASSISTANCE	AVAILMENT PROCEDURE	DURATION/STATUS OF ASSISTANCE
<b>Mr. Hiroki Kasahara</b> Senior Financing Partnerships Specialist, Office of Cofinancing Operations Asian Development Bank 6 ADB Avenue, Mandaluyong City Tel. No. 632-1656 Email: hkasahara@adb.org	Helps the poorest and most vulnerable groups living in destitution in ADB Developing Member Countries (DMCs).	Focuses on activities which: i) contribute to the achievement of Millennium Development Goals especially in health and education; ii) respond directly to the needs of the poorest and most vulnerable groups through new and innovative methods; iii) support initiatives that lead to rapid, demonstrable benefits with positive prospects of developing into sustainable activities; or iv) build ownership, capacity, empowerment and participation of local communities, NGOs and other civil society groups to facilitate their involvement in operations financed by ADB.		Ongoing facility, JFPR provides both technical assistance and grants.
<b>3) WORLD BANK</b>				
<b>Japan Social Development Fund</b>				
The facility's project and capacity building grants are designed to complement Bank-financed operations and programs aligned with the development objectives of the relevant CAS, PRSP or poverty reduction elements of Sector Strategies.				

**OFFICIAL DEVELOPMENT ASSISTANCE (ODA) FACILITIES FOR  
NON-GOVERNMENT ORGANIZATIONS (NGOs)  
(as of December 31, 2017)**

**MODE I - ODA provided directly to local NGOs or through the donor governments' or institutions' existing NGO facilities or windows**

**Umbrella Facilities Administered Directly by ODA Sources to NGOs**

**ELIGIBILITY / ASSISTANCE CRITERIA**

JSDF Projects must target and respond to the needy, delivering direct benefits to the poor, vulnerable, and disadvantaged groups while achieving rapid results; are pilot alternative approaches or partnerships, utilizing NGOs/CSOs or local governments to reach the target groups; reflect a participatory design and consultation process with the targeted beneficiaries who endorse the grant inputs; empower local communities, local governments, NGOs/CSOs through capacity building to participate in society and government and to affect their development and learning by doing; utilize participatory monitoring and evaluation to help beneficiaries address their vulnerability and to ensure ownership and sustainability; and promote scale-up of pilot at completion through Bank-financed operations, recipient government activities, or other entities.
