BID BULLETIN NO. 2

PROCUREMENT OF CONSULTING SERVICES FOR THE CONDUCT OF A NATIONAL VALUES SURVEY

TO : SHORTLISTED PROPONENTS/BIDDERS

Please be informed of the following clarifications for the subject procurement:

REFERENCE	CLARIFICATION
<i>Terms of Reference, Generating a Sampling Design, page 96 of the Bid/Proposal Documents</i>	<p>The sampling design should be representative of social sectors other than regional, such as socioeconomic class and religion. In terms of ethnicity, Indigenous Peoples (IPs) should be included as one group. However, major ethnic groups (i.e. Tagalog, Cebuano, Ilocano, Pampangueño, Ilonggo, etc.) should be separated from the Ips.</p> <p>If the sample reaches at least 1,000 per sector, the level of analysis will be as thorough on the regional disaggregation as it is on the national sample. For the social sectors, the level of analysis will be national but comparative along sectoral lines. This level of analysis can be also applied on the regional disaggregation.</p>
<i>Form A, Statement of Completed Contracts, and Form C, Format of Curriculum Vitae, pages 19 and 21 of the Bid/Proposal Documents, respectively</i>	In terms of the individual's experience stated in the Curriculum Vitae, the bidder should only indicate the actual man-months of the individual in a given project except in cases that he/she worked for the entire duration.
<i>Form C, Format of Curriculum Vitae, page 21 of the Bid/Proposal Documents</i>	The training should be expressed in number of man-hours over the duration of the training. Experience in similar projects of the research members should also be given importance. Similar projects are defined as "national survey projects with 8,000 to 12,000 respondents that measure levels of awareness, perception, or acceptability of concepts."
