

Projects for ICC-Cabinet Committee Approval as of 20 November 2020					
	Project Title	Project Description	Total Project Cost (in PhP M)	Funding Source	Status
Department of Agriculture					
1	Request for Six Month Implementation and Loan Validity Extensions of the Second Cordillera Highland Agricultural Resource Management Project-Scaling-up (CHARMP2 SU)	<p>The CHARMP2 Scale-Up project is being implemented in 18 new barangays in the 18 municipalities covered under the predecessor CHARMP2, which aims to contribute in reducing poverty and improve livelihood of poor rural indigenous communities in the upland areas of Cordillera Administrative Region.</p> <p>The DA is requesting for (i) six-month loan validity extension from June 30,2021 to December 31, 2021; and (ii) six-month implementation extension from December 31, 2020 to June 30, 2021.</p>	627.89	ODA	For ICC-CC action
2	Philippine Rural Development Project Retrofitting USD280 Million Second Additional Financing with EUR18.3 Million Co-financing Grant	The retrofitted PRDP-AF2, follows the same overall framework and development objectives of the PRDP. These include increasing rural incomes and enhancing farm and fishery productivity in the targeted areas. The retrofitted PRDP-AF2 has four components, namely: (i) Local and National Level Planning (I-PLAN); (ii) Infrastructure Development (I-BUILD); (iii) Enterprise Development (I-REAP); and (iv) Project Implementation Support (I-SUPPORT). The EU grant will specifically support activities to be implemented in Mindanao with focus areas in conflict-affected areas, Indigenous Peoples (IPs) communities, lower class local government units (4th-6th class), and	19,175.36	ODA	For ICC-CC action, pending submission of agency compliance with the ICC-TB instructions during its 30 September 2020 meeting.

		Bangsamoro Autonomous Region in Muslim Mindanao.			
Department of Education					
3	Teacher Effectiveness and Competencies Enhancement Project (TEACEP)	The project aims to improve the quality of, and equity of access to instruction in Kindergarten to Grade 6 (K-6) in Regions IX, XII, and the Bangsamoro Autonomous Region in Muslim Mindanao through the following: (i) provision of support to teachers and school leaders in improving teaching practices; (ii) provision of adequate materials for effective teaching and learning; and (iii) conduct of project management, monitoring and evaluation activities, with data analysis, interpretation, reporting and utilization.	5,820.00	ODA	For ICC-CC action, pending submission of agency compliance with the ICC-TB instructions during its 30 September 2020 meeting.
Department of Public Works and Highways					
4	Steel Flyover Construction for Traffic Decongestion in Urban Areas, Phase I	The project aims to enhance connectivity and ease traffic congestion in urban areas by building modern, iconic and cost-effective four and two-lane flyovers. The project involves full turnkey design, engineering, procurement and construction of five permanent flyovers to be located in Regions IV-A, X and XI. These five flyovers (Carmen Bulua Flyover, Gusa Port Area Flyover, Marcos Bridge Flyover, Quimpo Flyover, Santo Tomas Flyover) are proposed to be implemented within 48 months.	7,573.48	ODA	For ICC-CC action

5	Seismic Risk Reduction and Resilience Project (SRRRP)	The project aims to enhance the safety and seismic resilience of selected public buildings in Metro Manila, and capacity of the DPWH to prepare for and respond to emergencies. More specifically, it will strengthen the capacity of DPWH to prepare for emergencies through enhanced planning and improved communication systems, and augment the Department's ability to restore transport mobility with additional emergency response equipment.	15,086.80	ODA	For ICC-CC action
6	Iconic Bridges Project for Sustainable Socioeconomic Development of the Republic of the Philippines, Phase I	The project involves the construction of two permanent bridges for Phase I (i.e. Pinacanan Bridge 2 and Alcala Bridge). It also covers engineering design (including F/S and environmental impact assessment), fabrication, supply of iconic steel superstructure, civil works construction, bridge erection services, and project management.	5,963.27	ODA	For ICC-CC action, pending submission of agency compliance with the ICC-TB instructions during its 14 March 2019 meeting.
7	Request for Extension of Loan Validity and Implementation Period of the Panguil Bay Bridge Project	The project involves the construction of a two-lane 3.77 kilometer bridge connecting the city of Tangub, Misamis Occidental and the municipality of Tubod, Lanao del Norte.	7,375.34	ODA	For ICC-CC action

Note: This list does not include PPP Project Proposals in the ICC Pipeline
